Lighting Information

Lights have been set once again for the coming season

Lights are set to turn off no later 10:30pm. This is because council charges for every lighting change we make, so we have set it at 10:30pm in order to keep the cost down for clubs. It is the club's responsibility to turn off their lights when training or games are completed. Up to the time lights are switched off, Clubs will be billed for the lighting.

It is also in a club's best interest to switch off lights when training has finished whether it be at 7:30 or 8:30, as lighting is an expensive cost to clubs, and it will assist you in keeping your costs down. Along with saving yourself money you are also not wasting electricity.

Expression of Interest – Small Side Football Gala Days

We are once again seeking club's expression of interest in holding a Small Sided Gala day. Last year was a huge success and all clubs that hosted created a fun day for the children.

Please email Glen – glen@bdafa.com.au with your interest.

In your email, please let us know why your club should host a gala day and what you would do to create an amazing experience for the children.

Grade 8 – 13/06/20
