

BDAFA Circular – 2020 – 018 (23/07/2020)

To all Club Officials

Please find below recent Board determinations made and current issues.

TEAM SHEETS

Team Sheet Fields

Please do not add extra lines or fields to the team sheet. Any team sheets that are modified will incur a team sheet fine.

Players Playing Up

Ensure players playing up are listed on the front & back of the team sheets

Updated Team Sheets

We have made a very small change to the Competitive & Non-Competitive team sheets. It is just the wording in the score area. If you have already printed your team sheets out, there is no need to change the ones you are using. As long as you are using the 2020 version.

BENCHES

Reminders

- As most of you are not using Bibs (due to COVID), players must cover their playing shirts with a different jacket or shirt in lieu of a bib.
- The following is some of the things not permitted in the technical area which have been witnessed over the last few weeks: no smoking, drinking, hot food, electronic devices, people not registered with the team playing and team marshals.

COVID

It was good to see everyone working hard and following the directions to lower spectator numbers and keeping their distance.

BDAFA will continue put reminders out on Social Media prior to the weekend games.

There are a couple of areas we should be a bit more diligent in:

- Change Rooms – while these can be open and used, the number of people allowed in them at one time is a person per 4sqms. When they are used, they must be cleaned between each team's use.
- Sharing water bottles – I received numerous calls on Monday regarding this. Please ensure everyone has their own water bottles.
