Handy Information

1/ Jewellery

Law 4 states:

Safety

A player must not use equipment or wear anything that is dangerous.

All items of jewellery (necklaces, rings, bracelets, earrings, leather bands, rubber bands, etc.) are forbidden and must be removed. Using tape to cover jewellery is not permitted.

The players must be inspected before the start of the match and substitutes before they enter the field of play. If a player is wearing or using unauthorised/dangerous equipment or jewellery the referee must order the player to:

- Remove the item.
- Leave the field of play at the next stoppage if the player is unable or unwilling to comply.
- A player who refuses to comply or wears the item again must be cautioned.

2/ ID Cards and Games

There have been small issues around the grounds based on Identification of players. Both Small Sided and Competitive are subject to the following regulations.

C7. Identity Management At Matches (Pg21)

C7.1 Prior to the start of each match (at least 15 minutes before kick-off), both teams' RTOs will have exchanged and undertaken their ID checks with their opposition's RTO who will maintain custody of them till the end of the match. A player will not take the field of play without producing his/her Registration ID as proof of his/her registration. It is the responsibility of each teams' RTO to review their opposing team's Registration IDs before the match commences to verify that all opposing players have a valid registration ID.

C7.2 If a player's eligibility is in doubt, the opposing manager may take details from the questioned player's Registration ID. The match must be played under protest (see Section 8) and duly noted on the team sheet prior to the commencement of the match, or as soon as possible if in relation to late arriving player(s).

C7.4 A team will not take the field nor a match start without Registration IDs being verified / exchanged. Teams will be allowed up to ten minutes after the scheduled kick-off time to provide their Registration IDs. Failure to comply with this will result in a forfeit.

C7.7 Players who arrive after the start of a match (eg those coming from another game or otherwise arriving late) must provide their Registration ID to the opposing Team's Official prior to participating in the match. The Registration ID and the player's eligibility will then be verified and retained with the other ids until the end of the match. The late arriving player's name must be included on the Team Sheet prior to the match commencing unless they are making the total number of players to eleven. C7.8 Failure to comply with Section 7 Regulations will result in BDAFA reviewing the case which may result in no points being awarded to either team and a fine.

3/ Protests

C8. Protests (Pg21)

C8.1 If, prior to the kick-off of a match, a team believes their opponent may be in breach of any of BDAFA's regulations they can elect to play the match under protest. Teams wishing to play under protest must inform the opposing team manager prior to the start of the match, or at the earliest opportunity if the protest is in relation to late arriving players. The protest must be noted on the Team Sheet (note only the match official can add to the team sheet once match has commenced). Failure to do so will result in the dismissal of any such protest. Such protests duly noted must be confirmed in writing to BDAFA by the protesting Club. BDAFA will then, and only then, consider the merits of the protest and decide if there has been a breach of the BDAFA Regulations.
